AFNOR Certification

Identification number :

0333

Address :

**11 rue Francis de Pressensé
FR - 93571 LA PLAINE SAINT-DENIS CEDEX**

Delivered to :

Company:

FARE

Address :

**ZA de la Guinette
Rue Duhamel de Monceau
45300 Dadonville - France**

Manufacturing site :

Dadonville - France

Product : Point heat detector with input / output device - TSC 05

Detailed description of product : Annex

The product mentioned in annex is the object by the manufacturer of a factory production control and tests carried out on samples taken in the place of manufacture in accordance with a pre-established test plan.

AFNOR Certification carried out tests of the initial type on the product, the initial inspection of the site of production and the control of production in factory and carries out a continuous surveillance, evaluation and an acceptance of the control of production in factory.

This certificate attests that provisions concerning the attestation of conformity described in annex ZA of the standard(s), below stated, were applied and that the product fulfills all the requirements demands.

It will allow the manufacturer or his agent operating within the EEA to apply EC marking

Fire detection and fire alarm systems

EN 54-5:2000 + A1:2002 - Heat detectors - Point detectors

EN 54-18:2005 - Input/output devices

Certificate number :

0333-CPD-075015

Conditions and certificate validity period : 30 November 2014

This certificate was first issued on 1 December 2004. It remains valid until cancelled or withdrawn as a result of decisions taken in case of non-compliance or significant changes in product, production or production control. It cancels and replaces the certificate issued on 19 November 2010.

Date of certificate delivery : 13 December 2010
